

# MOORLANDS SCHOOL

## AIMS

Moorlands School was founded in 1898 and is dedicated to providing a first class education for girls and boys aged 2 to 11 years in a warm, friendly environment. The school is sat in beautiful grounds providing all the outdoor space for children to play in a safe and secure environment. The school boasts of fantastic wrap round care facilities, and excellent teaching standards.

Alongside an academically rigorous curriculum, Moorlands recognises that children have different interests and strengths and, as such, aims to provide opportunities for all pupils, whether they enjoy academic life, sport, music, drama or art. Whilst our expectations are high, Moorlands is still very much a school where children can be children.

This approach, with the dedication of a talented staff, has led to children from Moorlands being successfully accepted to their choice of senior schools. We take pride in our track record of successfully preparing our pupils for entry not only to the regions but the UK's leading independent day and boarding schools. Many of our pupils excel in entrance examinations and receive scholarships to their chosen destinations.

The school aims:

- to provide every boy and girl with a happy learning environment which fosters warmth, confidence, independence and a sense of purpose and direction;
- to equip all children with appropriate skills, values and attitudes with which they can fulfil their potential in every area of school life;
- to enable each child to gain maximum advantage from a broad curriculum delivered by caring staff within excellent facilities;
- to expose every pupil to high standards of courtesy, honesty, responsibility and fairness.
